The year 2021 is now history. The events in our country, this past year, will have far ranging effects that may reverberate through the decades. Throughout this past year many things have happened politically speaking. We must keep our eyes, ears, and minds open to changes that can affect us in a negative manner.

In this past year, it has been my focus, personally, to delve more deeply into hypnosis as a means to exploring the subconscious or, as many QHHT practitioners say, the Higher-Self. With hypnosis, the person can change habits, minds, health, attitudes, etc. By the use of hypnosis, the uncovering of past lives, UFO abductions and other paranormal events can be illuminated so that the client may have clarity of those events that are just outside the memories that elude us, putting us into the “Twilight Zone”.

Recent Meetup Group at Beefy’s on the Green - Top

We had a great meeting in December when we all met at Beefy’s on the Green in Spring Branch. With 14 souls in attendance, a couple of great stories were told, however, our meetings are not just for listening to great stories, but, rather, it is to also to help those individuals who have had

issues with what they have seen and heard that has affected their lives in a very meaningful way. Sometimes those affected have had trauma that needs to be verbalized and then receive valuable input from the very smart, empathetic attendees. This is what it is all about. To listen to and give valuable feedback. To love each person, as we are all struggling with something in this life and the paranormal events that touch us just brings more questions that we need answers.

I also want to pay special attention to several individuals who have proved to be valuable members of our group. These are very smart, loving individuals who have much to contribute to those seeking help for understanding. I want to thank Kay, Dee, Bonnie, Darling, and Tater for their input as it is always welcome and beneficial and uplifting.

I want to thank Will for his financial input for the festivities regarding the Thanksgiving and Christmas Holidays and for Tater and her decorating expertise. It was quite a surprise and I thank you very much.

During this past year, 2021, much has been said and I have no words to express my thanks for everyone who attended, for the thoughts expressed, for the help that you gave to those in need. Thank you. Thank you. Thank you.

I also want to give a big thank you to all the people who are coming on a regular basis, you make this meeting very successful with all your input and comments. I want to thank Kay, Tater, Will, Jill, Jan, Jodi, Darling, MaryAnn, Bonnie, Dee, Jennifer, Gina, Randy and Jack.

Our Next meeting will be on **January 22nd** at 1300 hours.

My Thoughts - Top

Those of you who have attended our monthly meetings and/or have continued to read these newsletters, know that I have experienced many things in my own life that I have revealed to you through these avenues.

Alien abductions, in my own view, are very real occurrences, as are the views of those who have experienced them. These people have talked to me about their own experiences, and some have had their own regression hypnosis sessions to explore the event in which they had been an unwilling participants. The abduction may occur anywhere, anytime and without warning. It may have already happened to anyone, and that person may not have full knowledge of the event. Over time, as I have experienced it, these events will gradually come out leaving one with a sense of wonder.

Two events that have occurred in my life, that have left me with memories that are absolutely real. I have had two near-death occurrences in 2013 and 2020. The memories are etched in my mind like they happened yesterday. I have also had hallucinations. In 1964, living in Lake Jackson, Texas, I came down with Bronchopneumonia. I ran a very high fever at that time, missing two weeks of sixth grade schooling. The memories are so real, that I have even brought them up as something that I had actually experienced only to be reminder by my older sister, Connie, that I was sick and was having hallucinations during that time in my life. The events were not real, but rather hallucinations. The mind does crazy things.

As one reads these pages, I want to remind people that there are many events in our lives that may affect our thoughts and our way of looking at the world. Reincarnation, alien abductions, hallucinations, near-death experiences, demons, ghosts, shadow people, “the wee folk”, aliens, are they real, or do we live life in a Matrix with all these “sub-routines” running and our job is to experience whatever may come?

Through my many readings, video watching and interfacing with others, what has shown up many times is the idea of “raising your frequency”. As a Christian, we are to renew our minds. What does that all mean, and how do we do it? In the scriptures we are given some hints, “You hypocrite, first take the log out of your own eye, and then you will see clearly to take the [\[f\]](#)speck out of your brother’s eye!”, [Matthew 7:5](#). Also in Matthew 7:12 we’re told, “[12](#)“In everything, therefore, [\[n\]](#)treat people the same way you want [\[o\]](#)them to treat you, for this is the Law and the Prophets.” And finally, [Matthew 22:36-40](#), “[36](#)“Teacher, which is the great commandment in the Law?” [37](#)And He said to him, ““YOU SHALL LOVE THE LORD YOUR GOD WITH ALL YOUR HEART, AND WITH ALL YOUR SOUL, AND WITH ALL YOUR MIND.’ [38](#)This is the great and [\[u\]](#)foremost commandment. [39](#)The second is like it, ‘YOU SHALL LOVE YOUR NEIGHBOR AS YOURSELF.’ [40](#)Upon these two commandments [\[v\]](#)hang the whole Law and the Prophets.”

What if we were to take just one of these concepts from the scriptures and apply it to our own lives, how would it change our lives? If I were to first work on my own faults, rather than point out and work on the faults of others, how would that change my life and my relationship to others?

If I were to treat others as I wanted to be treated, would I lie, cheat, steal from them? Would I treat them honorably? Do I want to be lied to, cheated, or stolen from? Or do I want to be honored? If I don’t want to be lied to or cheated or have things stolen, why then would I lie to others, cheat them, or steal from them?

We are commanded to love God and to love our neighbors. If I love others, why would I want to hurt them? I wouldn’t. By hurting others, we are truly hurting ourselves. Think about the last time you hurt someone and the guilt that may have come upon you after having done so. Were you respected and praised for having done so? Or was remorse the gift that keeps on giving?

[Love is creation, not behavior, and it doesn’t mean liking whatever happens. Some in my flock, the ones you call dark, do unspeakably evil things. That may make them seem to be the strongest, but they’re the weakest because they’ve chosen a heartless void instead of love. They have only the spark of Creator’s essence that maintains the life force of each soul and their time on the planet is over. They will be taken to places far, far distant where they’ll be given other chances to choose love and if they continue refusing, Creator will take over.](#)

Enjoy!

NOTE: Sometimes people hold a core belief that is very strong. When they are presented with evidence that works against that belief the new evidence cannot be accepted, because it creates a feeling that is extremely uncomfortable. Because it is so important to protect the core belief they will rationalize, ignore, and deny anything that doesn't fit with that core belief. This is why people get upset when strongly held beliefs are challenged.

P.S. I am the lone writer, lone person who puts these thoughts together from my own thoughts and from sources on the internet. Each time I use a source from the internet, I try my utmost to include the URL from which I copied the information to allow the reader to go to the source and verify the information themselves and to begin their own research.

It is my desire to get some feedback from my readers. I know that this newsletter keeps getting longer and longer, I just don't know when to stop. Sometimes, I feel if I have some time during the day, I have obligated myself to write more, read more, research more, decide what to add, how to comment, etc. I would like to know if I am adding too much to the newsletter or if I should remove some of the stuff and make it shorter.

Please let me know.

Hoax – What is a hoax - *Top*

According to the [Meriam-Webster](#), the second definition of hoax is - something accepted or established by fraud or fabrication.

In our world, particularly the paranormal, we come across many stories that are told as truth, that may be more readily a hoax that one has come to believe. Particularly when the story is heard from a friend, family member, or even a trusted, established professional.

Many times, it behooves us to do our own research into what we are told as truth, particularly if it will impact us in a major way, i.e., health, financially, spiritually, or just being manipulated in an unseemly manner.

I would like to delve into what looks like a hoax perpetrated in New Jersey in the 1980s. As usual, you be the judge and determine the merits of this story, then we'll continue on to other events in our history that may have changed our timeline and brought us to conclusions that may not be entirely correct.

Ong's Hat: Piney Ghost Town or Gateway to Another Dimension? - *Top*

If one takes the Turnpike to exit four and follows Route 70 east, they will come to Route 72 at Four Mile Circle. Taking a hard left leads to a place known as Ong's Hat, and a trail that some say leads to a mysterious portal to another dimension.

The New Jersey Pine Barrens have a plethora of deserted villages, most of them simply abandoned decades, even centuries ago. One of the most infamous of these is Ong's Hat in Burlington County. The true reason as to why anyone would name a village Ong's Hat may be shrouded in mystery forever. The facts are not clear, but the folklore surrounding the town's name is well known.

Legend has it that at one time a resident of the area was a flashy young gentleman by the name of Ong (while his first name is unknown, Ong is an old time Pine Barrens name—one of the earliest Pines settlers was Jacob Ong). He was a fixture at local dances, where he was famous for being able to woo the ladies with his fancy dance moves and suave attire—most notably his silk hat.

Apparently, Ong was something of what modern youth call a “player,” in that he would flirt and dance with all the ladies he could. One of his love interests caught on to this practice at a dance and attacked Ong, taking his hat and stomping on it. Ong, who was very drunk and very upset that his chapeau had just been ruined, ran outdoors and tossed the hat into the air out of frustration. It caught in the high branches of a pine tree and stayed there for years. It became a landmark by which people could find the small village, and the area was dubbed Ong's Hat.

As the Pine Barrens themselves became less and less populated with the dying out of local industry, Ong's Hat was all but forgotten. Today Ong's Hat is home to no residents. Instead, there are piles of rubble, overgrown building foundations, and other reminders of a bygone age. Ong's Hat might have been nothing more than a footnote in the local history books were it not for a very weird development that some believe occurred there in the last quarter of the twentieth century—the opening of a gateway to another dimension.

The following, more recent, history of Ong's Hat and its mysterious inter-dimensional portal can be found in a book entitled “Ong's Hat: The Beginning.” The author of the book, Joseph Matheny, is coy as to whether he intended the work as fact or fiction. “The split between who believes the book is fiction vs. nonfiction is pretty even,” he has said. Some claim that the book is pure fantasy and has set up a hoax that many have come to accept as real.

According to Matheny's history, the Moorish Orthodox Church of America was founded in the 1950's by a group of white jazz musicians and poets who were formerly members of the Newark founded Moorish Science Temple. The members of this small sect traveled the world, learning different philosophies and spiritual practices from all different masters of the eastern world. One of these travelers was known as Wali Fard.

When Fard returned from his travels abroad in 1978, he spent all of his savings on 200 acres in the New Jersey Pine Barrens. Along with a group of runaway boys from Paramus and two lesbian anarchists, he moved onto the property and formed a newer, even more exclusive sect, the Moorish Science Ashram.

Fard published a series of Xeroxed newsletters proclaiming his beliefs. Those on the fringe who had read his words began flocking to his land. Among these refugees were two scientists looked down upon for their radical views, Frank and Althea Dobbs.

The Dobbs twins were raised in Texas, among a UFO worshipping cult founded by their father. Needless to say, they were used to life on the outskirts of the mainstream. When they arrived in the Pines they set up a laboratory inside a ramshackle trailer. They began making discoveries that shook the small commune to its core.

The siblings had previously been working at Princeton, where they submitted as their PhD thesis a series of equations that led to what they called “cognitive chaos.” They were dismissed from the university and found their way to the Pines. In the remote locale they were free to work further on their ideas, whether the academic establishment wanted them to or not. Their theories promoted the idea that people could tap into the unused portion of their brains and do things such as stop their aging and purge diseases from their systems. The Ashram used their research to found the Institute of Chaos Studies.

Progress occurred even quicker than the scientists involved could have predicted themselves. Within three years they had stumbled upon an extraordinary, bizarre device that came to be known as “The Gate.” This was one of a series of devices the scientists referred to as “The Egg.” They hooked people up to computers and charted their brain waves. By experimenting with sex, drugs, and other mind wave manipulators, the scientists learned how to control the chaos they found within the mind.

The fourth version of the Egg was tested on one of the Paramus runaways. When it was activated, he and the device itself disappeared. Moments later it rematerialized. The boy claimed that he had traveled to the dimension next door to ours. This was the opening of The Gate.

The members of the ICS had to leave their Pine Barrens compound due to a chemical spill from Fort Dix that was leaking nuclear material into the area. Instead of fleeing outward, they fled inter-dimensionally. They used the Gate to transport themselves and all of their possessions into an alternate dimension. In this dimension they still lived in Ong’s Hat, but humankind did not exist.

According to some, the experiments at Ong’s Hat led to a violent and bloody confrontation. They claim that the government got wind of the experiments being conducted at Ong’s Hat and stormed the compound there, killing seven members of the group. Some say it was Delta Force who did the killing, while others blame operatives of the Russian or Danish militaries.

Skeptics of this far-fetched tale believe that Joseph Matheny’s book “Ong’s Hat: The Beginning” is nothing more than a work of pure fiction, bolstered by an elaborate Internet hoax. Others claim that Matheny has had to hint at the book being a hoax to preserve his efforts to tell the truth and to protect his own safety.

Matheny first became involved in the Ong’s Hat saga when he posted a book catalog he had found, known as the “Incunabula Catalog,” on BBS and FTP systems around the Internet at the turn of the 90’s. Then he produced one of the essays reviewed in this catalog. From there he claimed to have interviewed one of the physicists mentioned in these papers, as well as the original author of the book catalog he had posted. These four documents make up what are known as the “Incunabula Papers.” It is somewhat unclear as to whether there ever was any

documentation of these alleged events other than the ones that Matheny “found” and posted himself.

So was Ong’s Hat ever the home of a mysterious cult of science nerds, or is this inter-dimensional Gate merely one of the earliest known Internet hoaxes? Whatever the case may be, the story of Ong’s Hat is truly a bizarre one, and believed to be more fact than fiction by more than just a few sci-fi fanatics.

Planned 2021-2022 UFO Hoax by CIA-Pentagon - Top Mark McCandlish Cut-Away of an Alien Reproduction Vehicle.

This article is dedicated to Mark McCandlish whose death at age 68 on April 13, 2021 was premature. He died in his home in Redding, CA with a shotgun blast to the head. He was going to testify at a Senate UFO/UAP meeting in June. His testimony would have destroyed any misleading UFO narratives and reveal the Tic Tac was actually a USAF SSP drone ...

All Americans and people world-wide need to be aware of the UFO Hoax planned possibly this year or 2022 by the Shadow Government, which is controlled by undercover CIA operatives in collusion with leaders in the Military Industrial Complex. This is an updated warning clearly presented by Dr. Steven Greer on July 4th, 2021.

https://www.youtube.com/watch?v=cGRroNrNGso&t=80s&ab_channel=Dr.StevenGreer

In addition to the shot-in-the-head murder of Mark McCandlish, all concerned people should examine other deaths committed by top-secret U.S. government agencies by reading:

<http://www.nicholasginex.com/2020/04/26/u-s-agencies-maintain-secrecy-of-ufo-and-zero-point-energy-technology/>

In his bio, Mark McCandlish has indicated he witnessed dozens of sightings since 1966. He feels certain that UFO-ET technology has been carefully protected and co-opted by an as-yet-unknown organization. That organization is surreptitiously led by top-level CIA-Pentagon operatives that are unknown by members of the Senate, Congress and the President. Refer to the Nicholas Ginex link above that reveals more than 150 deaths of UFO researchers, biologists, engineers, scientists, and top military officers that had knowledge of, or worked in, Area 51. This list includes non-military people who had developed antigravity and zero-point energy capabilities or were authors, journalists, and radio/TV newscasters that wanted to reveal the existence of UFOs.

Some deaths are suspicious while many others are outright murder planned by a powerful-surreptitious group within the U.S. military that used U.S. government agencies such as the CIA, FBI and DoD to maintain top-secret development by the Military Industrial Complex. This top-secret organization actually controls the U.S. Government, whereby the president of the U.S. is given no knowledge or assessment of the unauthorized programs with the disrespectful comment, “You don’t have a need to know.” This unjustified comment is an affront to all Americans when one understands it is the American taxpayer that has paid billions of dollars over the 7 decades for unacknowledged programs. Mark wrote in his short bio, “...*the sequestration of this technology has provided that organization tremendous leverage in world politics, finance and international conflicts over the past five decades.*”

Since the Roswell crash, undercover CIA-FBI agencies have insidiously and effectively obtained control of all social, scientific, and national news media to propagate disinformation and misleading propaganda about UFOs. This control has become so extensive that the undercover CIA-FBI operatives have corrupted the national news and TV media to influence and actively impact the 2020 Presidential Election. *Through the years, much of the propaganda was to deny the existence of UFOs and promote the idea that ETs are a threat to earth in order to attain continued billions for their undercover-unauthorized top-secret programs.*

To learn the severity of control on the U.S. Government by the Shadow Government, view the video hosted by Kevin Shipp, a former CIA officer, below.

<https://www.youtube.com/watch?v=XHbrOg092GA>

This article is for all Americans to recognize there is a root cause for the 2020 election fraud and to not confront the problem is to welcome more control by a surreptitious organization that will eventually endanger humanity and possibly our planet. There is no doubt in my mind that to be silent is to accept defeat.

All people and leaders in all countries should **demand *UFO-ET Technology Disclosure***, and in return, **amnesty for the murders** committed since the Roswell UFO crash. Only by world-wide communication can the insidious, unauthorized government agencies relent and provide full UFO-ET technology disclosure. It would be wise to concede and acknowledge that by infusing ET technologies into all of America’s machines on land, sea and air, Humanity can attain a new and peaceful future with prosperity in countries around the world. But are the CIA-Pentagon operatives willing to give up the power they now so arrogantly possess for their own selfish goals? Below are some of the benefits that disclosure of decades of ET technologies can bring.

Disclosure Benefits: <http://www.nicholasginex.com/2019/01/26/disclose-et-ufo-technology-for-humanity/>

One Last Word. If the CIA-Pentagon operatives are unwilling to provide disclosure with the benefit of amnesty, the U.S. President, Commander of all U.S. Military Forces, must mobilize the armed forces to take over all operations within the Pentagon and top-secret military facilities to confiscate all technical data for use by legitimate development companies. There is no reason why the Commander-In-Chief of the Military cannot take such action unless, the CIA-Pentagon

operatives are truly the acting government within the so-called Democratic Government for and by the people.

Two former U.S. presidents have warned Americans that there is a sinister and serious threat by the CIA who controls the Shadow Government and media in the United States. The potential for the disastrous rise of misplaced power exists and will persist. We have seen that the 2020 presidential election was well coordinated to employ extensive fraud by hackers in the U.S. and foreign countries. This was an undercover operation that the CIA has had experience with as they have interfered with other election outcomes. The freedom of America has been compromised and will persist as stated by two former United States presidents, Dwight D. Eisenhower and Harry S. Truman.

In the councils of government, we must guard against the acquisition of unwarranted influence, whether sought or unsought, by the military-industrial complex. The potential for the disastrous rise of misplaced power exists and will persist.

(Dwight D. Eisenhower)

A “sinister” and “mysterious” agency

“There is something about the way the CIA has been functioning that is casting a shadow on our historic position [of freedom] and feel we need to correct it.”

Harry S. Truman, December 22, 1963, op-ed
The Washington Post – Deleted 3 Days Later

To readers of this article, share it with others. To remain silent is to accept the loss of your freedoms our forefathers put in place to establish government by and for the people. Don't lose a precious gift that other countries long for.

Soul Scalping with Vaccines - Top

by Jan Erik Sigdell

It is since ancient times believed that a human being can be “taken over” by an entity or a soul. Either as “possession”, in which case the entity suppresses or casts out the original soul of the person and thus factually incarnates in the body, or as “obsession”, controlling the mind of the body while keeping its overpowered soul in the background.

There have been a number of cases in which quite verifiably a soul without violence could take over a body when it died, i.e., the original soul had just left and the body could still be revived, and then the other soul could enter and live in it instead. Such cases are called “walk-ins.” What happened was “merely” a change of soul inhabiting one body.

It is, however, a rather different case when an entity, i.e., a possibly negative being, with some intention takes over a body by force. It is said that various groups of non-physical entities or spirits have developed techniques to intentionally remove the soul from a body, actually “killing” it without functionally damaging it, thus keeping it “useable.” This is called “soul scalping.” The motive may be to have a body as a “vehicle” for a member of the group for a sojourn in the three-dimensional world. But it could also be to abduct the soul for whatever reason.

Many assume that this happens to politicians to provide them with a symbiont and to the one or the other of the “prominent” ones in the entertainment business or among the “elite”, as a result of selling themselves to success. If even the soul is replaced, it has access to the (so far unaltered) mind in the brain of the person with all its memories from his or her life until the replacement took place and the person seems to be and act as before, but the environment may notice an often-gradual personality change as the influence of the symbiont grows.

We today live in a period of a “pandemic of dying”, claimed to be caused by infections with a new kind of virus, but also caused by allegedly needed countermeasures that increasingly take the lead in the number of deaths in that they with various toxic effects are now killing more people than the infections do, or they degenerate the immunity against infections rather than reinforcing it. One may have the impression that the latter is intentional... using vaccines and lockdowns of survival possibilities. Could there also be some other intention than depopulation? Maybe abduct a soul for a purpose?

The actual situation coincides with an endeavor for “transhumanism” which would integrate human beings with a mechanical world of machines and digital technology. Humans would rather become extensions of a super computerized digital world with artificial intelligence (AI) and controlled by it. The necessarily world-wide operating AI will need to contain all knowledge that humanity has ever gathered from whatever sources, and abducted souls shall contribute to that with everything any soul knows. Furthermore, these souls are potentially useful as “software packages” in the AI super-computer, becoming enslaved for labor. (The Borg, from Star Trek Voyager – my thoughts on the subject, DCM)

It needs to be pointed out that there is a difference between mind and soul in a human being. The mind is the conscious “personal computer” in the body that experiences being a self that controls the body and its actions, having a memory of its past. The soul is unconscious and keeps the total memory and knowledge the human being ever knew, including past lives! It is the part of us that leaves the body when it dies and with all its memories and knowledge independently moves on to later become integrated with a new body when it is born. The soul has the sum of all memories and all knowledge it ever had in all the incarnations, and even more. In the soul, nothing is forgotten, but what is not needed in a new incarnation becomes archived in the background of the new round in this three-dimensional world we live in. But it can be recalled! We today have

regression techniques to access memories in that archive. And that is how some alarming information has just surfaced!

This is the marvelous design of our lives by the Highest God that is now being threatened by satanic forces, which want to impeach the true Creator and as the AI replace Him with an *artificial God!*

Regression techniques were mentioned above. They are designed to enable the mind to access the archived memories and knowledge in the soul. Such techniques connect the mind with the soul. And that is how very recently frightening information has surfaced in regressions with persons who have been vaccinated with covid “vaccines!” So far, this indicates that one of the effects of the “vaccines” can be to *block the access to the soul!* In regression sessions we actually name the soul as “higher self”, since it is in no way inferior to the mind, but quite the opposite. Establishing a contact with the higher self in a regression is fairly easy and something we always do. But if the person is “vaccinated”, the little experience we so far have indicates that it may no more work! This confirms a prediction by Rudolf Steiner a century ago (see below).

There is a very dangerous component in covid “vaccines”, called graphene oxide. It is in many ways a remarkable substance that arranges itself in a lattice, alternatively in microscopic “bubbles”, which act almost as if it were alive. It reacts and adapts to high-frequency electric fields – like 5G! The unique electromagnetic properties of this substance can obviously be used for connecting humans with digital systems through 5G! Then we become mere tentacles of the AI with no individuality, no personality and no free will... Thus these “vaccines” have a central function in establishing a hellish New World Order through the so called “Reset.”

But how could all this ultimate madness have become reality in such a short time after the end of the 20th century?

Are we alone in the Universe? Of course not! It is almost impossibly naïve to claim that there would be no other civilization. The Universe has been estimated to have in the order of 10^{24} stars (suns) – a quadrillion! And they have at least trillions of planets. It is absolutely impossible that there are not very many other civilizations out there, not only on other planets but also in the 12 dimensions of the Universe, of which we know only three. One may argue that they are all so far apart that one may never know of the other, but then one is neglecting that many of them could have science and technology far beyond what we have. One way for communication is a “short-cut” through a higher dimension we terrestrial humans are unaware of.

There is a very interesting discussion in the Internet with a long link that I wish to refer to: <https://beforeitsnews.com/awakening-start-here/2021/11/the-disclosure-mike-adams-and-david-wilcock-full-an-amazing-interview-that-unravels-countless-secrets-and-ties-everything-together-the-enslavement-of-humanity-from-ai-to-quantum-physics-demons-16415.html>. It mentions many things that some readers will find hard to believe, such as visits to our Earth by highly advanced civilizations that led General Eisenhower to sign an agreement with them in 1954 (which he apparently later regretted). In exchange for advanced technology, he allegedly allowed them, among other things, to abduct humans for experiments and for feeding, since they are said to feed on humans, on our meat and blood. The latter appears shocking but “rang a bell”

in my mind. In my text <http://www.christian-reincarnation.com/PDF/killed.pdf> I mention how Satan in his world has to allow the light from the creator El Elyon to enter in it, since humans and other biological life forms feed on it to live. Plants feed directly on the creator's light, animals indirectly through eating plants and we still more indirectly through eating plants and animals. Satan hates El Elyon (because he was thrown out from the original creation) and would prefer to not have the creator's light in his world, but then he would lose us. A satanic extraterrestrial civilization might, in the same way, want to feed on us since they cannot have El Elyon's light directly... in a way, that would then "fit in the system"...

Now it is also hinted in that discussion that extraterrestrials want to take over our planet and get rid of us humans (or genetically reprogram us), and that this has some connection with a genocide plan ... That gives them the opportunity for soul scalping.

The above discussion also mentions the Grays. These are, from information I have found, a kind of bio robotic hybrids which are controlled in a way that the genociders want to do with us. Hence this is what could become out of us Earth humans...

Unless the 2000 years old waiting comes to an end and Christ finally arrives or sends us a new messenger.

Rudolf Steiner, the founder of Antroposophy, predicted soul scalping by means of "medicine" already a century ago: <https://slowerase.com/2021/01/eliminate-the-soul-with-medicine/> and <https://fortruehumanity.wordpress.com/2020/10/30/bill-gates-god-gene-vaccine-rudolf-steiners-prophecy-on-elimination-of-the-soul-with-a-vaccine/>:

"In the future, we will eliminate the soul with medicine. Under the pretext of a 'healthy point of view', there will be a vaccine by which the human body will be treated as soon as possible directly at birth, so that the human being cannot develop the thought of the existence of soul and Spirit. ... He would be extremely smart, but he would not develop a conscience, and that is the true goal of some materialistic circles." This fits in a frightening way with the paranoia of transhumanism. Being "extremely smart" will result from being connected to a central and common AI.

Information about graphene is found here: <https://www.laquintacolumna.net/> – in Spanish but it is the most complete website about it that I have found in the Internet.

More discussions by David Wilcock and Mike Adams: <https://beforeitsnews.com/agenda-21/2021/11/the-moment-of-truth-documentaries-by-david-wilcock-and-mike-adams-murder-by-your-own-government-part-1-2-just-out-3390.html>

More than a hundred years ago, Rudolf Steiner wrote the following:

"In the future, we will eliminate the soul with medicine. Under the pretext of a 'healthy point of view', there will be a vaccine by which the human body will be treated as soon as possible directly at birth, so that the human being cannot develop the thought of the existence of soul and Spirit.

To materialistic doctors, will be entrusted with the task of removing the soul of humanity. As today, people are vaccinated against this disease or that disease, so in the future, children will be vaccinated with a substance that can be produced precisely in such a way that people, thanks to this vaccination, will be immune to being subjected to the “madness” of spiritual life. He would be extremely smart, but he would not develop a conscience, and that is the true goal of some materialistic circles.

With such a vaccine, you can easily make the etheric body loose in the physical body. Once the etheric body is detached, the relationship between the universe and the etheric body would become extremely unstable, and man would become an automaton, for the physical body of man must be polished on this Earth by spiritual will.

So, the vaccine becomes a kind of arymanique force; man can no longer get rid of a given materialistic feeling. He becomes materialistic of constitution and can no longer rise to the spiritual.”

– Rudolf Steiner (1861-1925)

Diary of a Snow Shoveler – Funniest Thing You Will Read This Season

I was sent this two Christmas' ago by an old buddy. I laughed so hard I couldn't get rid of it so I saved it to share every Christmas Season with everyone! Enjoy!

Diary of a snow shoveler, probable location - North East

December 8 - 6:00 PM

It started to snow.

The first snow of the season and the wife and I took our cocktails and sat for hours by the window watching the huge soft flakes drift down from heaven.

It looked like a Grandma Moses Print.

So romantic we felt like newlyweds again.

I love snow!

December 9

We woke to a beautiful blanket of crystal white snow covering every inch of the landscape.

What a fantastic sight!

Can there be a lovelier place in the whole world?

Moving here was the best idea I've ever had!

Shoveled for the first time in years and felt like a boy again.

I did both our driveway and the sidewalks.

This afternoon the snowplow came along and covered up the sidewalks and closed in the driveway, so I got to shovel again.

What a perfect life!

December 12

The sun has melted all our lovely snow.

Such a disappointment!

My neighbor tells me not to worry- we'll definitely have a white Christmas.

No snow on Christmas would be awful!

Bob says we'll have so much snow by the end of winter, that I'll never want to see snow again

I don't think that's possible.

Bob is such a nice man, I'm glad he's our neighbor.

December 14

Snow, lovely snow! 8 inches last night.

The temperature dropped to -20.

The cold makes everything sparkle so.

The wind took my breath away, but I warmed up by shoveling the driveway and sidewalks.

This is the life!

The snowplow came back this afternoon and buried everything again.

I didn't realize I would have to do quite this much shoveling, but I'll certainly get back in shape this way.

I wish I wouldn't huff and puff so.

December 15

20 inches forecast.

Sold my van and bought a 4x4 Blazer.

Bought snow tires for the wife's car and 2 extra shovels.

Stocked the freezer.

The wife wants a wood stove in case the electricity goes out.

I think that's silly.

We aren't in Alaska, after all.

December 16

Ice storm this morning.

Fell on my ass on the ice in the driveway putting down salt.

Hurt like hell.

The wife laughed for an hour, which I think was very cruel.

December 17

Still way below freezing.

Roads are too icy to go anywhere.

Electricity was off for 5 hours.

I had to pile the blankets on to stay warm.

Nothing to do but stare at the wife and try not to irritate her.

Guess I should've bought a wood stove, but won't admit it to her.

God I hate it when she's right.

I can't believe I'm freezing to death in my own living room.

December 20

Electricity's back on, but had another 14 inches of the damn stuff last night.

More shoveling!

Took all day.

The damn snowplow came by twice.

Tried to find a neighbor kid to shovel, but they said they're too busy playing hockey.

I think they're lying.

Called the only hardware store around to see about buying a snow blower and they're out.

Might have another shipment in March.

I think they're lying.
Bob says I have to shovel or the city will have it done and bill me.
I think he's lying.

December 22

Bob was right about a white Christmas because 13 more inches of the white shit fell today, and it's so cold, it probably won't melt till August.
Took me 45 minutes to get all dressed up to go out to shovel and then I had to piss.
By the time I got undressed, pissed and dressed again. I was too tired to shovel.
Tried to hire Bob who has a plow on his truck for the rest of the winter, but he says he's too busy. I think the asshole is lying.

December 23

Only 2 inches of snow today
And it warmed up to 0.
The wife wanted me to decorate the front of the house this morning.
What is she, nuts?!!
Why didn't she tell me to do that a month ago?
She says she did but I think she's lying.

December 24

6 inches - Snow packed so hard by snowplow, I broke the shovel.
Thought I was having a heart attack.
If I ever catch the son of a bitch who drives that snow plow, I'll drag him through the snow by his balls and beat him to death with my broken shovel.
I know he hides around the corner and waits for me to finish shoveling and then he comes down the street at a 100 miles an hour and throws snow all over where I've just been!
Tonight the wife wanted me to sing Christmas carols with her and open our presents, but I was too busy watching for the damn snowplow.

December 25

Merry freaking Christmas!
20 more inches of the damn slop tonight -Snowed in.
The idea of shoveling makes my blood boil.
God, I hate the snow!
Then the snowplow driver came by asking for a donation and I hit him over the head with my shovel.
The wife says I have a bad attitude.
I think she's an idiot.
If I have to watch "It's A Wonderful Life" one more time, I'm going to stuff her into the microwave.

December 26

Still snowed in.
Why the hell did I ever move here?
It was all HER idea.
She's really getting on my nerves.

December 27

Temperature dropped to -30 and the pipes froze; plumber came after 14 hours of waiting for him, he only charged me \$1,400 to replace all my pipes.

December 28

Warmed up to above -20.
Still snowed in.
The BITCH is driving me crazy!!!

December 29

10 more inches.
Bob says I have to shovel the roof or it could cave in.
That's the silliest thing I ever heard. How dumb does he think I am?

December 30

Roof caved in.
I beat up the snow plow driver, and now he is suing me for a million dollars, not only the beating I gave him, but also for trying to shove the broken snow shovel up his ass.
The wife went home to her mother.
Nine more inches predicted.

December 31

I set fire to what's left of the house.
No more shoveling.

January 8

Feel so good.
I just love those little white pills they keep giving me.
Why am I tied to the bed?

Will I Live to be 80?

I had recently picked a new primary physician. After two visits and exhaustive lab tests, he said I was doing "fairly well" for my age. A little concerned about that comment, I couldn't resist asking him, "Do you think I'll live to be 80?"

He asked, "Do you smoke tobacco or drink beer or wine?"

“Oh no,” I replied. “I’m not doing drugs, either.”

Then he asked, “Do you eat rib-eye steaks and barbequed ribs?”

I said, “No, my other Doctor said that all red meat is very unhealthy.”

“Do you spend a lot of time in the sun, like playing golf, sailing, hiking, or bicycling?”

“No, I don’t,” I said.

He asked, “Do you gamble, drive fast cars, or have a lot of sex?”

“No,” I said. “I don’t do any of those things.”

He looked at me and said, “Then why do you want to live to 80?”

What Heaven’s Like

Three guys die together and go to heaven.

St. Peter says, “We only have one rule here: Don’t step on the ducks, as they are God’s favorite creation.”

They enter heaven and see ducks everywhere, and it’s almost impossible NOT to step on a duck. The first guy accidentally steps on one, and soon here comes St. Peter with the ugliest woman you’ve ever seen. St. Peter chains them together and says, “Your punishment is to be chained to this ugly woman forever.”

The next day the second guy steps on a duck, and sure enough, St. Peter comes with another real ugly woman and chains them together.

Seeing this, the third guy is very, very careful. He goes for months and doesn’t step on any ducks. Then one day, St. Peter comes along with this beautiful woman, a blue-eyed blonde, very young and very sexy. He chains them together and leaves without saying a word.

The man remarks, “Wow! This is great! I wonder what I did to deserve this?”

The Blonde says, “I don’t know about you, but I just stepped on a duck.”

Sold into Slavery

I have done several past life regressions. Here is one of my recent remembering’s: I was a young, teen girl whose mother sold/sent her to live as a servant in a nice big house with lots of other people. I had blonde hair and wore my Sunday best when the man with the funny moustache came to get me. He bound my wrists and I cried and cried and many times I asked him where we were going. I had never been to many places before, and it wasn’t long before I knew I couldn’t find my way back.

After several days of traveling, we arrived at a big farm with an enormous house. I had never seen such a grand and amazing house. The kitchen, where I would spend most of my working time, was bigger than the house I was raised in. My husband from this lifetime was the son of the house owner in that lifetime. He and I shared stolen kisses when no one was looking but we both knew we would be in a lot of trouble if we were ever caught.

Years passed and eventually the son was to be married to a very lovely woman. Then his father died, and since his older brother had died in a war, he was next in line to inherit the wealth as well as the problems and responsibilities.

I faithfully served his family and loved him from afar until I was an old woman. I had worked my way up to be the Head Servant who dictated what other people did. Everyone loved me.

I fell down the stairs which injured me, and I became bedridden. One night shortly before my death, he came to visit my chamber. He apologized for not loving me when he had the chance, not loving me better. I told him that it was an honor just to be near him. Then I died.

My lesson in that lifetime was how to love through service. It explained to me why I am such a loyal person. I gave selflessly. I had to also learn how to balance that selfless giving so as not to give myself away.

All around good stuff!

My Four-Year-Old Son Said He Died in a Car Crash

My son was about 4 years old; I was watching something on the History channel or an old show, don't remember which it was at this point.

He was playing with his toy cars on the floor paying no attention whatsoever to the TV, but stopped in the middle of what he was doing, pointed to an old car on the TV (probably a 1930s) and stated matter of fact " I died in a car like that one only you weren't my mom and dad then " then went back to playing with his toys.

That was 22 years ago and never was there any other mention of anything like that.

-Will

Niece Said She Died in a Car Accident

My niece's daughter has memories of past life. My Niece had two kids (daughter was four years old, son was about two) at that point when this particular incident has occurred. Her daughter of only four years old told her mom: "You know, Mom, I am older than you are. You are young." Then, she added: "My brother and I both died in a car, and we have decided to come back together."

-Yvette

Granddaughter Said She Came From the Sky to be With Her Mother

One day my two-year-old Granddaughter was lying down on a mattress on the floor, (She was an early talker and she is particularly articulate for her age). All of a sudden she pointed to the ceiling and said "I came from up there, in the sky to be with my Mami, I picked her to be my

special Mami because I love her. I would see her from up there and then I came down to be with her. So, I went in her tummy and then I came out and here I am.”
I was shocked to say the least. This happened a few years ago and she has continued to make similar utterances, however she has talked about it less as time goes by.

Love is not simply a word or an emotion; love is a power that gives action to all around it. Love is the power of life.

Physical and Mental, we exercise both, we neglect Spiritual. Everything we do, think, and say is Spiritual.

Newsletter Input

Sometimes, from time to time, we all experience something from the unknown. Our God knows, but we have not a clue as to what it was, and it bewilders us and forces us to do a reality check. We also find that we want to tell someone, anyone, maybe. But who? Do you have a story you want to tell, but do not want to be put on the front stage with all eyes looking at you? Do you get nervous meeting new friends and are fearful that they may think you to be strange and not all “there?” If you would like, please email me with your story. I will read it to see if it has interest for our readers, I may check for spelling and grammar then post it in our newsletter. I can leave your name off if you would like. But I want to hear from our readers.

QHHT Sessions

If you are interested in doing a QHHT session, my current fee is \$300 for the entire session. I only do one session per day so that there will be no rush to finish a session before it is natural completion. You will also find that my fees are at the low end of the scale among QHHT® practitioners, to make it more affordable. I’ll send you some paperwork to be filled out when we schedule the appointment, then I’ll send a reminder one or two days prior to the session that will also include my address here in Spring Branch, Texas. Bring the paperwork with you and we can go over it when you get here. A belief in reincarnation *is not* a requirement for a QHHT® session. Your unconscious mind will take you to the most appropriate time and place in which your questions will be answered.

If you need to call or text me, to ask more questions, I will be more than happy to answer any questions you may have. If the call goes to voice mail, I will call back as soon as I am able. I am retired and hypnosis is the only “work” that I do, so if you need to call or text, do not hesitate.

The session can last four to seven hours. This includes a two-hour discussion and a review of the questions you bring with you that you want your unconscious mind to answer, a one-to-two-hour hypnotic session that may include one to three past lives, answers to your questions by your unconscious mind, and a body scan by your unconscious mind. The session is videoed, and an audio file of the session is sent to you via Drop Box.

ABOUT

This newsletter started out as a way to encourage others to meet and tell others of their paranormal experiences. I’ve also included a lot of my own experiences in the previous newsletters, but now, I believe it is time to include other subjects that will help a person to grow and heal, not only in the mind, but also in the body. After all, isn’t that what we all want, to have a healthy mind, body and spirit?

As I research the various topics that I find interesting, I will occasionally dip down into rabbit holes and find nuggets that were completely unexpected. Attending “**The Healing Arts Festival & Market**”, I also see where people are seeking alternative sources of healing rather than the allopathic medicine in which we have begun to shy away from due to the contraindications associated with their treatments when using questionable pharmaceuticals.

I have found, in my readings, therapies that include frequency, vibration and energy as well as red light therapy. Frequency would be associated with light and sound, as in the Singing Bowls that one may find at the Healing Arts Festival & Market. So, please expect more, and if you believe that I have veered off track and need to come back to center, please let me know. Feedback does help.
